## THE ALTONA STAR DEMOTED

### ADVERSE MOTION PASSED

The "Altona Star" is no longer the official organ of Altona. The motion authorising this vital change was moved by Cr. Lee and seconded by Cr. Fisher. Cr. Crofts was the only dissentant.

When the Shire President, Cr. S. G. McIntosh, announced the notice of motion to appoint the "Footscray Mail" as official organ of the Shire, Cr. Lee rose and said that at this stage he had said enough at the last meeting and would just formally move the motion. This was quickly seconded by Cr. A. J. Fisher.

However, Cr. W. L. J. Crofts said he wished to speak against the motion.

He said the proposed action would cost the Shire money and, therefore, should be contested. He felt the change could be more costly, but, on this he could be corrected, because the advertising rates are different. Certainly the change will be more inconvenient, added Cr. Crofts.

### POINT OF ORDER

"Point of order!" interjected Cr. Lee. "The expense involved should not be discussed as this is only a formal motion transferring the official organ which is only an honour."

"Point of order on Cr. Lee!" interrupted Shire Secretary, Mr. J. W. Waters. He said Cr. Crofts was quite correct. Under the Local Government Act certain advertisements must be placed in the official organ of the Shire. The Shire pays for these advertisements.

Cr. Crofts continued by repeating the change will mean more cost to the Shire and will also be less convenient. He added more time will be consumed on the part of the Shire officers going to Footscray.

Cr. Crofts re-iterated what he said at the last meeting that it is wrong to have work taken out of Altona.

He pointed out that it could mean retrenchment of staff at the "Star" office and that work would be taken away from people working in Altona.

### GREATER CIRCULATION

"The 'Altona Star' has a greater circulation, though I do not have the facts and figures, and they are more representative of the citizens of Altona than the 'Footscray Mail,'" said Cr. Crofts.

"If this notice of motion is passed I want it recorded that I disassociate myself from this act," concluded Cr. Crofts.

Cr. Lee expressed the desire to exercise his right of reply, mainly, he said, because of many statements that call for clarification.

He contended the change was necessary because the citizens of this community are entitled to have as their organ a newspaper which does not confuse personal feelings with factual reporting.

Cr. Lee alleged the "Star" has many times used its pages for reports that put forward their own feelings. He contended such personal expressions should be in the Editorial column.

### NEVER PERSONAL

[Personal expressions are never used by the writer of the Editorial column. All his general Editorials are attempts to put forward or tell the viewpoints of aspects of Altona and Altona life.]

However, Cr. Lee agreed every paper has the right to express its views, but not at the expense of factual and full

reporting.

He continued that a newspaper has a responsibility of placing before the public all the facts so it can choose for itself, not only some items of interest.

This is where the "Star" failed most alleged Cr. Lee. He contended that if things are contrary to the feelings of the "Star" reporter they are not reported.

Most notable omissions were his criticisms during council meetings of the State Government and the "Shell Bill" raised by him, said Cr. Lee.

[The "Star" has noted that Cr. Lee's remarks on the Government were NOT published in other papers and also that the "Star" DID publish details of the Bill.]

Failure of a "non-Labor" councillor to substantiate claims made in his name was defended by the "Star" by saying it reserves the right to print what it chooses, continued Cr. Lee.

[This apparently refers to the incident of the damaged posters. Any reader of the "Star" will have seen that Cr. Crofts made no claims which needed substantiation — he stated facts only. See "Altona Star" August 25.]

He added, when one side is left out and the other given every chance, the "Star" is not as impartial as it claims.

[All candidates in the recent elections were offered the same amount of space in the "Star" for putting their views.]

Reports seriously suggest that he was trying to stifle the freedom of the Press, complained Cr. Lee.

This is a ridiculous suggestion, alleges Cr. Lee, who said he merely advocated the council should change to a newspaper that the council has more faith in.

He added this action does not prevent the "Star" from reporting as they wish, as they have every right to come to this council chamber and report everything said. "I do not recall ever taking this freedom from them," said Cr. Lee.

[Neither does the "Star" recall any such suggestion. This was evidenced on last week's front page when it was pointed out the "Star" would continue to fully cover council meetings.]

Cr. Lee accused the "Star" of casting doubts on the "Mail's" integrity by saying it had falsely claimed to be the official organ prior to the motion being passed. Cr. Lee said the "Mail" printed the truth based on his recommendation to council.

[Perhaps Cr. Lee could check the motions and notices of motion.]

### THE "STAR'S" DECLINE

The reason behind the decline in the "Star" is that undisputed evidence points to another political party being clearly supported by the "Star," declared Cr. Lee.

He contends the viewpoint of this party is clearly stated by the "Star." In his opinion a nameless party at the moment, aided and abetted by the "Star."

A party is a group of people with similar ideas and aims explained Cr. Lee. [Then followed a run-down of the "party" which was irrelevant to the motion.]

"It is my opinion that this party wishes to remove the control of this council from Labor and wishes to remove this control for purposes of its own."

"This party hides behind a facade and uses false names to mislead the voters, such as representing the ratepayers," said Cr. Lee. He pointed out he is a ratepayer, but said they do not represent him.

Since they have no name for themselves, Cr. Lee said he would give them a name—"The Anti-Labor Control Party."

He continued it is to their discredit that they have seen fit to use methods, as indicated earlier, of accusing the council of incompetence and "Tammany Hall."

Cr. Lee considers this particular group of people face responsibility for the most despicable act he has ever seen by waiting until election eve before distributing their manifestos. He considers this proves his point that they are not prepared to come out into the open.

This party has not even the decency to take a photo of its own to use on its manifesto alleged Cr. Lee.

### GALLERY

#### INTERJECTIONS

Here members of the large gallery interjected and Cr. A. W. Bond called for point of order as it was not a public meeting.

The Shire President called for order but more interjections followed and he named Mr. Weaver. Other members of the gallery called out "Why pick out one? Name us all!" Cr. Bond retaliated by saying he would say something about Mr. Weaver if he didn't watch out.

Cr. Lee continued by saying these people stand up for free speech and the right to criticise and that it was his unalienable right as an Australian citizen to be able to criticise.

### THE PHOTOGRAPH AGAIN

He again referred to the photograph which he contended was the same as appears on a council document and he considered to suggest it was not taken from the same negative is an insult to a child's mind.

Cr. Lee pointed out the photographs were identical and he would dispute that this photograph was not a direct print off the negative.

Again the gallery made itself heard and this time Cr. McIntosh threatened to clear the gallery.

Cr. Lee stated the "Star" must have been aware of the procedure used to produce this block. He said the paper is experienced in these matters and printed both jobs which used the photograph.

[As stated last week, the negative of the council's photograph or a print of the photo could not be used as the "Star" did not hold them, nor was the "Star" in any way concerned with the making of the second block.]

"Members of this council have been criticised and this right to criticise is defended, but when the criticism is not levelled at this other party it is unfair and biased," said Cr. Lee.

### 35-HOUR WEEK

To prove this contention Cr. Lee said for two consecutive weeks criticism regarding the 35-hour week was levelled at the council. When the decision of the

council was announced the "Star" did not apologise for its ill-founded remarks.

[Following the council decision a full account of the matter plus a statement by the Shire President was published on the front page. Incidentally, Cr. J. J. Ginfier particularly called at the "Star" office for a copy of this paper, as he wished to obtain the Shire President's comments to include in a proposed radio broadcast.]

Cr. Lee continued that the "Star" failed to apologise because it was prepared to go along with the idea that the 35-hour week could be used for election material and in his opinion he considers it suited them.

He said the "Star" had the right to come out and state that the council had cleared itself of the allegations made. The allegation that the Labor councillors were under political domination to make resolutions which they would not normally make.

"This gets me to the final submissions, statements which have not been published in the 'Star,'" said Cr. Lee, "but I will make them again."

Cr. Lee stated, "In my six years in council I have never been told by any political party what decision I must make in this council. I say that clearly and I would say it for every member of this council. At no time has any group or local branch said what we have to do. Every decision of the Labor council has been the decision of the nine elected men or as at present the eight elected men and it represents a majority opinion of the eight."

### NO OUTSIDE INFLUENCE

"Any suggestion that we are dominated by an outside influence is completely false and I want this statement to be made absolutely clear."

Cr. Lee said he had another statement to make. "Never at any time have I ever asked any newspaper on behalf of myself or any party to which I belong for any favourable comment. I have never suggested to them that we should be given more favourable comment than what is due. I have the right to criticise what I do not consider the factual situation and when they leave out things that to my mind are important, I would never be a party to telling a newspaper what it can print. So all this talk of censorship is invalid. The inalienable right of any newspaper is to publish the truth because it is in the truth that the freedom of the Press has any meaning. But they also have the right to publish all the facts. And this council has also the right to choose the newspaper that it feels has the best integrity to discharge the duties that this council feels it should do. I suggest we make this choice based on the many examples of the failure of the local "Star" to be completely unbiased and stand by their integrity as they should."

"I have the right to criticise and the council to choose a newspaper that is beyond any reproach in any way or form," and so Cr. Lee finished reading from a paper in his hand.

The motion was put to the vote and all voted for it with the exception of Cr. Crofts, who was against transferring the official organ to the "Mail."

[All the above criticism by one councillor has been answered by another who said the "Altona Star" was fair and unbiased. We are not in any way taking part in this controversy. We leave it to our readers to judge.]

## Caravan Dealers Success at Show

Circle Caravans, of Altona North, were the most successful exhibitors at last week's caravan show in the Exhibition Buildings.

This new local business, operated by Mr. Sid Hem, and taking part in the show for the first time, virtually scooped the pool by showing the most popular caravans for their price and by topping the sales at the show.

Mr. Hem has been selling new caravans for only one year. Prior to that he operated a caravan hire service.

Caravans ordered from Mr. Hem will be going all over Australia—even to the American Base on the North-West Cape in Western Australia—and to New Guinea.

One—a tandem van—purchased by a Melbourne businessman for himself and family—will travel the world. Overland to Fremantle, ship to Singapore, on a land tour, back on ship at Singapore for England, then touring the British Isles and the Continent is the present planned itinerary.

Another of the tandem vans went to Tasmania on the Princess of Tasmania last Monday. It has been purchased by the owners of the ghost train which operated at the Royal Show. Living in vans has made these people selective and they consider Mr. Hem's the best on show. The van will be used for travelling throughout Australia with the ghost train.

Mr. Hem displayed three vans—a 14ft. 9in. deluxe shower model, a 14ft. 9in. rambler model and the 21ft. six-berth tandem. Both smaller vans were four-berth. The large tandem van is fully equipped with all modern conveniences and featured a cocktail bar with sliding glass doors.

Mr. Hem reports the larger vans are now more popular. However, he sold his complete range throughout the Show.

A number of local business people assisted with Mr. Hem's stand. The vans were kept cleaned and polished by Truganina Cleaning Service, flowers and decorations donated by the Altona East Newsagency, wines, spirits and liquors (to stock the cocktail bar) supplied by Laska's Wine and Spirit Store, The Circle. Floral arrangements were by Mrs. Harwood, of Newport.

An interesting fact revealed by Mr. Hem is the lack of caravan facilities in the western suburbs. He has sold a van to an English migrant couple in the hostel, but, as yet, they are unable to take delivery of the van as the parks are full. They are waiting for a vacancy.

Mr. Hem also has branched out into caravan repairs and has just been awarded a contract by a large insurance company to undertake all the company's repairs in the western suburbs.

Mr. Hem recently returned from his first country showing of caravans. He displayed them at the North East Beechworth Trade Fair. He was congratulated on having provided the best caravan display the show has known.

Many people from Northern Victoria and New South Wales inspected his vans.

As a result of this show he received the contract to supply all the caravans for the Watchtower Convention of Jehovah's Witnesses to be held in Altona from October 3-10.

He will supply vans which will be parked on private properties for people from all over Victoria, South Australia, New South Wales and Tasmania.

### RE-COUNT RESULTS

The Stipendiary Magistrate reported no appreciable change in the recorded figures for the Altona Shire Council elections.

The re-count, just completed, had as its most significant factor 183 extra informal votes.

The reduction of these from the valid votes alters Cr. J. J. Ginfier's total to 9660 (previously 9721), and Cr. W. L. J. Crofts from 9620 to 9524.

### FINAL RESULTS

Cr. Ginfier had a margin of 406 over Cr. Crofts (previously 376).

Cr. Crofts had a margin of 232 over Cr. McIntosh (previously 291).

Cr. McIntosh had a margin of 506 over Mr. Grant (previously 586).

### RISE IN RATES INDICATED

A heated discussion took place at this week's council meeting on the indications of a substantial rise in rates.

To give this contentious item full justice it has been thought desirable to hold a detailed report until next issue.

### A GROSS INJUSTICE

At this week's council meeting Shire Secretary, Mr. J. W. Waters, entirely substantiated the "Altona Star's" report of the injustice done to Mr. Barry Sutton.

Cr. Lee did apologise for one part only (he had to admit the photographer did not supply the photo to the "Star"), but went on to again attack Mr. Sutton's ethics.

No attempt was made to redress the injustice done to Mr. Sutton.

A full report will be given in our next issue.

### A COMPARISON

Altona news in the "Altona Star" 22/9/1966 was 546 inches.

Altona news in the now official organ for the same date totalled 242 inches.

### "Dispensing or Dispatching?"

Instead of dispensing prescriptions, local chemist, Mr. Ian Herbert, was busy dispatching snakes on the local golf course last Tuesday afternoon.

When Mr. Herbert and his partners were approaching the third green, a group of golfers just past the fourth tee discovered two tiger snakes in the rough just off the fairway.

While these golfers were deciding the best course of action, Mr. Herbert dashed in and promptly dispatched both snakes with some brilliant strokes from his No. 7 iron.

## EDITORIAL

### Seven Silent Men

At the previous council meeting debating the "Altona Star" were nine councillors consisting of two who had the courage of their convictions and seven silent men.

Most of these men have had long service with the council. Four have been president of the Shire and one is the present incumbent. All had a strong personal association with the "Altona Star."

Yet on the issue of the "Star's" integrity, apart from formally introducing motions, they were strangely silent.

As they did not speak for themselves we can only conjecture. There may have been various reasons for silence.

Some may have felt Cr. Lee's speech so factual, fair and rational and convincing that there was no need for them to add a word.

Some may have been willing for Cr. Lee to singly bear the odium caused by the criticism of the "Star."

Some may have been opposed to action against the "Star," but by force of circumstances had to vote against their convictions.

Alternatively, it could be that seven had such confidence in Cr. Lee that by pre-arrangement they gave him the honour of being sole spokesman.

These could have been among the reasons for silence at the first meeting. But by the second meeting this week the position had changed. Cr. Lee's remarks had been found to be not factual, most unfair and no longer rational or convincing.

So to the previous reasons for silence another must be added.

All may have thought, "We have had no real basis for our action, we cannot justify it, let us say nothing."

Until these seven silent men say otherwise we must accept one of these conjectures for their silence.

We invite them to express their views in writing to the "Altona Star" where it will be read by the people of Altona.

## Steve Herman Wins Soccer Best & Fairest

At the Altona Soccer Club's Presentation Dance last Saturday night Mr. L. C. Noordenne presented Steve Herman, inside left, with a silver tray and the trophy for the best and fairest Altona player.

Steve, a popular and likable fellow, celebrated his 21st birthday during the week and the receipt of these presents made his week complete.

Mr. Noordenne praised the soccer club on the way they are helping the youth, schools and migrants in the Altona area and urged them to keep up the good work.

Shire President, Cr. S. G. McIntosh, made the presentation to the Second XI best and fairest, George Kish, centre half. He received an eye-catching musical bird cage decanter, plus the perpetual shield.

Cr. McIntosh congratulated Altona on their Dockerty Cup performance and remarked that as Port Melbourne-Slavia had now reached the final, it was indeed a notable performance to hold this team to such a low score.

Mr. Bolger made the presentation to the best clubman, J. Nespor, the club secretary, won this award and he was indeed worthy of it. The zest with which he carried out his duties helped the club attain the highest standard of efficiency.

The "Altona Star" presented the trophy to the highest goal scorer, "Professor" Wilkie, who notched many vital goals for Altona with his wizardry. He received his trophy proudly remarking how easy his team mates had made his goal-scoring record.

Steve Herman, Billy Coles and Chris Karamatos were presented with silver tankards for 50 first XI appearances. President of the club, Mr. A. Dunlop, in making the presentation, had plenty to say to these young men who are an honour to the club and their generation.

The A.S.C. wishes to thank the Shire council, shopkeepers, business men, community, "Altona Star" and supporters for their assistance and generosity and hope the club has been worthy of it.

This Sunday the club will travel to Morwell to play an exhibition game.

## Cr. LEE MAKES STRONG ATTACK

Cr. H. W. Lee made a strong attack at the first September Altona Shire Council meeting on statements in the Ratepayer Candidates manifesto issued to residents prior to the council election in August.

He considered the manifesto alleged incompetence by councillors and officers, incorrect statements regarding the introduction of the 35-hour week for municipal employees and lack of initiative by Labor councillors.

Cr. W. L. J. Crofts stood by the manifesto which he claimed was fair.

Cr. Lee asked Cr. Crofts if he was prepared to substantiate the allegation that present councillors and officers are incompetent. He said Cr. Crofts election manifesto suggested present councillors incompetent by saying rates would rise if the finance is not put in competent hands.

"There is only one answer," commented Cr. Lee, "are we incompetent, is this council incompetent—yes or no—I want an answer" demanded Cr. Lee.

"That is your reading into it," commented Cr. Crofts.

"The manifesto was fair enough and I stand by it," said Cr. Crofts.

Cr. Lee continued, "What political interest tried to introduce a 35-hour week?"

Cr. Crofts said there had been a tremendous amount of publicity regarding this matter and the stated policy has been that it will be introduced at the appropriate time, "You made the statement," added Cr. Crofts.

Cr. Lee said Cr. Crofts had stated a political party will try to introduce the 35-hour week and that the subject was only temporarily dropped until after the election. "How do you account for such scandalous views?" asked Cr. Lee.

"If you remember the past, I have a clear conscience," said Cr. Crofts.

Cr. A. W. Bond said, "I say now if Cr. Crofts goes over the Liberal Press, he will learn that the 35-hour week has been the policy of the Trades Hall for two years and that Sir Henry Bolte has admitted it will eventually be introduced."

To say that political interests have already tried to introduce the 35-hour week is a deliberate lie, said Cr. Lee.

Cr. Lee then claimed that the manifesto said that a person standing for a political party had no initiative. He said the council has been selected on merit and how could councillors lack initiative with their record such as the Truganina Explosives Reserve action.

"Limited initiative of their own, is what was on the manifesto," said Cr. Crofts, "you read into it what you like."

"Give me one example of lack of initiative," asked Cr. Lee.

"This is not the statement I made," replied Cr. Crofts.

"Ask any man who understands—you have proved yourself a liar," said Cr. Lee.

"I object, I am not . . . I will not repeat this offensive, dirty word," said Cr. Crofts.

He asked Cr. Lee to withdraw the word but Cr. Lee refused.

"I am not willing to withdraw the word until you prove to my satisfaction that it is not correct," said Cr. Lee.

"There are a few I would like to add," said the Shire President, Cr. S. G. McIntosh.

"I stand by my committee," was the final comment from Cr. Crofts.

## Yachting Season Commences

The winter has quietly slipped away and once again the sleek hulls are coming from beneath their covers.

This year promises to be the most interesting season the Altona Yacht Club has had. The three adopted fleets have gained new craft and there is an air of optimism throughout the club.

It is pleasing to see the Smith family once again taking an active interest in the sport. Barry Smith has ordered a new fibre-glass Hornet and will be sailing soon.

The first race of the season is on Saturday and already the Hornet Association is finalising plans for the journey to Perth for the Australian Championships. At the moment the A.Y.C. will be represented by six craft.

A team of Herons will be travelling to Canberra for their Australian Championships and as usual the association is organising everything and giving all possible assistance.

The presentation night held at the Altona Youth Hall was an outstanding success. The Altona Shire Council was represented by Cr. S. G. McIntosh (Shire President) and Cr. J. J. Glinifer.

Comodore Pearl welcomed the visitors and Cr. McIntosh made the presentations.

The major trophy winners were as follows—

### MARION-THOROGOOD WEDDING

The son and daughter of two long established Altona families—Joy Thorogood and Thomas Irving Marion—were married at the Presbyterian Church, Civic Parade, Altona, last Saturday afternoon.

The bride is the only daughter of Mrs. Dorothy Thorogood (nee Birrell), of Upton Street, Altona, and the groom the eldest son of Mr. and Mrs. L. Marion, of Queen Street, Seaholme.

A white crepe frock with a guipure lace bodice and made by her aunt, Mrs. J. Birrell, was worn by the bride. Her shoulder length veil was held by a small pillbox hat and she carried a bouquet of gardenias and hyacinths.

Matching lemon guipure lace bodices were on the pale lemon frocks worn by bridesmaid Elaine Mosden and the flower-girl, the bride's cousin, Janice Wilkinson. They also carried gardenias and hyacinths which had a touch of lemon colouring. Best man was the groom's brother, Ted Marion.

The bride's mother wore an attractive bone linen ensemble with which she teamed burnt orange hat and gloves and bone bag and shoes.

Mrs. Marion, the groom's mother, was chic in her pale green crimplene suit which she topped with a fur stole and wore an apricot coloured hat.

Seventy guests attended the reception at Talbot House and admired the three-tiered wedding cake made by another aunt of the bride, Mrs. Hudson.

When the couple left for a touring honeymoon around Victoria the bride wore a lovely aqua blue silk ensemble, matching feature hat and bone accessories.

### SPASTIC AID SOCIAL EVENING

### Engagement Cum Birthday Party

Thirty-six guests attended the engagement party which also became a birthday party at midnight last Saturday night for Susan Rose, younger daughter of Mr. and Mrs. Rose, of Webb Street, Altona.

It was with much pleasure that Mr. and Mrs. Rose announced at the party in their own home Susan's engagement to John Pollard, the only son of Mr. and Mrs. J. Pollard, of Albert Park. Sunday was Susan's eighteenth birthday and after midnight candles were placed on the engagement cake and guests wished Susan a happy birthday.

### BAPTISTS BIRTHDAY

Last Sunday members of the Altona Baptist Church united in worship to celebrate the 51st anniversary of the founding of their church.

Highlight of the program was the rather informal, but heart-warming concluding service on Sunday evening. The minister from South Kingsville Baptist Church gave an excellent address.

The fruits of many weeks of patient practice were realised when the Sunday School, under the supervision of their instructor, Mr. Ray Martin, sang a number of beautiful hymns and choruses.

An addition to the variety of the night were the two play readings, one read by the girls and another by boys.

St. Eanswythe's Ladies Guild will meet at the home of Mrs. Jack Court, 267 Queen Street, Altona, next Wednesday, October 5, at 8 p.m.

Arrangements for the coming Church Bazaar will be finalised.

### R.S.L. FILM NIGHT

Jerry Lewis in "The Nutty Professor" will be the laughter-making main feature film at the Altona Sub-branch R.S.L. picture night on October 8.

Proceeds from the evening will go towards the cost of an eight-day trip to Tasmania by the Form 4A boys at Altona High School.

Coloured featurettes — "The Armstrong 500" and "Big Game Hunting in South Africa"—will support the main film, which also is in colour.

Tickets—adults 50c, children 30c—are available from the school or Mr. G. Hancock at the R.S.L. Hall in Sargood Street. Sweets and soft drinks will be on sale.

The fund for the trip, which starts on November 28, now stands at \$750 and any donations would be most acceptable.

### "The Mikado" On Record

The Altona High School's presentation of "The Mikado" was recorded at the W. & G. Studios, West Melbourne, last Sunday afternoon.

During August the comic opera was played to appreciative audiences at the Civic Hall. Last week the cast spent many hours practising for the recording.

Long playing 12in. records, costing \$5, are now available and may be obtained by contacting Mr. Simpson at the school.

### ALTONA HIGH SCHOOL NEWS

Head Master at Altona High School next year will be Mr. W. Treacey who is transferring from Flemington High School.

The annual fete for the schools will be conducted in the Scout Hall, Civic Parade, on Saturday, October 8.

Yesterday 15 students from the Melbourne University School of Education visited the school to watch a demonstration lesson on English given by Mr. Simpson.

Earlier this week form 4 and 6 students as part of their English Literature studies watched a screening of Julius Caesar.

Recently 33 4B students went on a special geography excursion to Harrietville and visited the snowfields.

Girls from 4C are planning for their weekend trip early in November—a visit to Wilsons Promontory.

### \$18,000 For Altona Kindergartens

Capital grants totalling \$18,000 have been approved by the Minister of Health for the Fifth Avenue and Ronald Avenue kindergarten buildings in Altona North.

Life Savers  
Annual Meeting

The Annual General Meeting of the  
Altona Life Saving and Swimming Club  
was held in the Clubhouse on Tuesday,  
September 20.

Opening the meeting the Senior Vice-President Mr. J. Byrne, apologised for the absence of the President Mr. T. L. Jobling who was in Canberra on business.

Mr. Byrne introduced Cr. K. Jurga, J.P. representing the Council, Mr. A. Frost, representative of the Royal Life Saving Society, and Mr. J. Morgan, Melbourne and Suburban Beaches Association and South Melbourne Life Saving Club, apologies were received from Cr. L. Crofts through illness, Mr. W. Keys, Albert Park, Mrs. A. Kennedy, South Melbourne and Mr. A. McDonald.

The Shire President Cr. S. McIntosh, J.P. and Cr. and Mrs. H. W. Lee arrived late in the evening. Cr. McIntosh and Cr. Lee had been delayed on other business.

Mr. Byrne also welcomed the Club's first President, Mr. H. Edwards.

PRESIDENT'S REPORT.

Mr. J. Byrne read the President's report in the absence of Mr. Jobling. Mr. Jobling said the optimism expressed in his report last year had won the 'B' Grade section of the Royal Life Saving Society Carnivals.

While congratulating all members for their efforts he singled out Sandra Butters, R. Swarbrick and club captain, C. Cotter for special mention. Also the Junior Boys reel and line team which had gained 3rd placing at the Victorian Championships.

On our own beach the club had maintained full patrols each week-end during the season and gained full points from the R.L.S.S. Patrol Officers.

REDUCTION IN FIRST AID CASES

There had been a reduction of First Aid cases requiring treatment, out of 94 cases treated only 7 were attributable to broken glass, which proved the value of the Shire Council's "operation Beach Clean Campaign". Mr. Jobling paid tribute to Miss B. Allen who organised the beach cleaning patrols and put in the highest number of hours herself. He also thanked Mr. V. White and Mr. A. Shanahan of the St. John Ambulance Brigade who gave so much assistance in the first aid room.

FINANCES SOUND

The financial position of the club was fairly secure, due mainly to the efforts of the Ladies Auxiliary. "We are extremely fortunate to have such a dedicated group of ladies and I wish to thank sincerely each and every member of the Ladies Auxiliary for the tremendous efforts they put into raising finance year after year" said Mr. Jobling.

LEARN TO SWIM

The Learn to Swim Campaign under the direction of Messrs. J. Byrne and R. Hazeldine was again successful. One hundred and sixty certificates had been gained for 25, 50, 75 and 100 yards.

UNREWARDING TASK

One of the most unrewarding and thankless tasks was that of hall secretary. The club was most fortunate to have such a willing worker as Mrs. Sue Parham, assisted by husband Jack, to fill this position, which entailed so much work but which was so vital to the finances of the club.

"The efficient running of a club revolves around the secretary, and we have been very fortunate to have such a tireless worker as Mr. R. Hazeldine in this position."

The treasurer, Mr. W. Smith, has again displayed his fondness for hard work and together with Mr. Hazeldine, the club has two members carefully looking after the finance and general administration of the club.

Mr. Jobling thanked all members of the executive committee for their co-operation during the season and particularly mentioned the long and valued service given by Mr. J. Byrne.

He appealed to members not to become complacent but to continue to progress towards the day when the club would top A Grade.

BALANCE SHEET

The secretary, Mr. R. Hazeldine, then presented the balance sheet and audit of the books which had been carried out by Mr. Noel C. Ham, A.A.S.A., A.C.I.S.

The club was in a sound financial position despite several large items of expenditure including new equipment, renovations, new costumes, trophies, hiring of buses and gas and electricity. He drew attention to the large amount of money raised by the Ladies Auxiliary and added his thanks to those of the president. In his report Mr. Hazeldine thanked donors for their generosity and the committee for its assistance and support during his term of office as secretary.

CR. K. JURGA

Mr. Byrne then invited Cr. K. Jurga to address the meeting.

Cr. Jurga thanked Mr. Byrne for the invitation to be present and said he was always pleased to attend the Life Savers functions.

He was always interested in the work of the club and was happy to pass on the good wishes of the council for the future.

MR. A. FROST

The representative of the Royal Life Saving Society, Mr. A. Frost, then addressed the meeting. Mr. Frost is treasurer of St. Kilda L.S.C., vice-president of the Victoria Branch of the Society, Regional Deputy, Chief Examiner, Carnival Beach Marshall, member of the executive council and member of the Examiners and Judges Board. He holds the Service Cross and the Recognition Badge and Bar of the Commonwealth Council, is a life member of the Victoria Branch and holds the Associates Badge.

Mr. Frost first apologised for being late. Despite receiving two notices, one from the club and one from the Royal Life, he confessed he didn't notice the time on either and took it for granted that the meeting commenced at 8 p.m.

He congratulated the secretary for the manner in which the Annual Report and Balance Sheet was presented. He congratulated the club on a fine season's work and said it augured well for the future that so many members were present at the annual meeting. At St. Kilda's annual meeting the previous week, less than 30 people were in attendance. He wished the club a very successful season in 1966-67.

After general business was disposed of, Mr. Frost installed the incoming committee members.

The meeting then closed and refreshments were served by the Ladies Auxiliary.

LADIES WIN  
HOCKEY TITLE

Undeclared during the 1966 season is the proud record of the Altona Ladies D grade Hockey team.

In a closely fought grand final last Saturday the girls finished the season by defeating Sunshine 1-0 to take off the coveted premiership flag.

What a day! What a game! What a win!

In weather far different from the previous Saturday Altona met Sunshine at Royal Park in a game which turned out to be a terrific struggle to score and hold the lead.

Altona was a much younger team and did all that was required of them. All opponents were watched and Altona attacked from the start.

Using Regina Lukoszek as the attacking wing. A nice pass from Regina and a well-timed hit from Liz Szatkowski placed a swiftly moving ball in the net to bring up the goal of the match. During the second half Sunshine attacking vigorously almost scored from a ball that hit the goal post. This was cleared nicely by Janet Deegan.

Robin Howard confidently turned the Sunshine attack ably supported by Joan Smith who was ill before the game.

Altona continued to attack but the forwards were unable to penetrate the packed Sunshine defence. At the bell Altona led 1-0 to win the premiership for 1966.

Goal: L. SKATKOWSKI.  
Best: ROBIN HOWARD.

Altona Camera Club  
News

The first camera outing for the year has been arranged for Sunday, October 1, Assembly point is outside the Library in Queen Street, at 10 a.m.

The Bacchus Marsh Area has been selected with Fruit Tree Blossom as a primary feature, and it is hoped that some photographic entries for the next competition, to be held in late October will result from this outing.

Plenty of transport will be available and members are advised to take some form of sustenance with them.

Although the beginners course based on Kodak slides has been temporarily set back, 'Fill in' lectures are proving very popular. The most recent, showing equipment available to suit all pockets and the results that can be obtained was much appreciated.

Membership is continually increasing and with the approach of good weather is expected to become very high. The public is reminded that the club is open to any resident and that beginners are particularly welcome.

Miss L. Allen; ASSISTANT COACH: R. Hazeldine; PROPERTY OFFICER: R. Bailey; PROPERTY COMMITTEE: R. Swarbrick, C. Mellett and I. McCulloch; BEACH CLEAN SUPERVISOR: Miss B. Allen; ASSISTANT: Miss R. Noy.

The position of hall secretary has temporarily been taken over by Mr. Byrne. After three years of hard work in this position, Mrs. Sue Parham decided it was time to have a change. Thanks, Sue, for a job well done.

CHIEF PATRON

Although arriving too late to address the meeting, the Shire President, Cr. S. G. McIntosh, was a welcome guest. He thanked Mr. Hazeldine for inviting him to be chief patron of the club and said he was most pleased to accept.

A.N.T.S.  
BASKETBALL

After one of the hardest battles ever fought within the school boundaries, AZTEKS kept their slim prospects alive with a tremendous win over battling ARABS.

Respective captains Barry Reid and Bruce McCausland cancelled each other out, and it was the fighting spirit of Keith Gunstone and Luigi Coppola that gave Azteks the match.

With their two biggest stars having retired from school life, Playboys appear lucky to be in it at all. Wildcat wizard Bill Anderson organised Ken Travis and Ken Ridge into a series of fast breaks that destroyed any semblance of resistance from the demoralized Playboys, and Stavros Patralakis and Paul Rivett were flat out just getting a touch of the ball.

The top of the ladder doesn't seem a high enough place for Saints, and John Hay, Joe Bilis and Herman Erkhamps proceeded with a systematic slaughter of lowly FUGITIVES. It'll need a touch of black magic to stop SAINTS from taking the flag this year.

RESULTS

Wee Five 59 (Highest: Ross Leader 34, Best: Bernie O'Malley d. Sharps 4 (Highest: Richard Rees 4, Best: Scott Adams).

# NEWPORT WIN W.S.F.L. PREMIERSHIP

NEWPORT	4-3	5-4	8-10	9-10	—64
WEST NEWPORT	4-1	7-5	7-5	9-8	—62

GOALS (Newport): G. Mazouris 5, J. Evans 2, G. McNamara and R. Martyn 1 each. (West Newport): J. Martin 3, I. Johnston 3, W. Luttick, T. O'Brien and D. Vanstone 1 each. BEST (Newport): G. Mazouris, R. Martyn, K. Parker, K. Davies and K. Lynch. (West Newport): I. Johnston, E. Szyzka, J. Langan, M. Langan and J. Taylor.

The open age grand final of the Western Suburban Football League, won by Newport last Saturday, ended a hectic week for the League and completed a most successful season.

After a brief but impressive ceremony in which Bob Skilton presented best and fairest awards, the game got under way in ideal conditions.

Newport, kicking to the north goal with a fairly strong breeze behind them, started off raggedly but with George Mazouris scouting cleverly and kicking straight, were able to put on 4-3 by quarter time as against West Newport's 4-1.

Eddie Szyzka for West, with magnificent leaps, was dominating the ruck and John Martin elusive up forward, were mainly responsible for a first-class effort against the breeze.

In the second quarter West Newport failed to carry on with the good play and managed only 3-4 to 1-1 for the period. This was due mainly to the improved defence of Newport and their move of Jack Evans into the ruck.

West's forwards, with the exception of "Huck" Johnston, were not functioning well and their lead of 2-1 at half-time indicated the deterioration in their play as against the first quarter display.

The third term saw Newport add 3-6 to nil to give them a 1-5 lead. A couple of skirmishes in this quarter seemed to upset West and this allowed Newport to gain the advantage, only to fall down in shooting for goal.

It was anybody's game when the last quarter started, with West showing more concentration.

But the Newport back men, led by Ken Parker, grimly held them out. West added 2-3 to 1-0, getting to within two points with a few minutes to go, but Newport, having waited 35 years since their last premiership, were determined to have this one and no one was happier than some of their 1931 premier side who were in attendance when the final bell rang.

West could have won the game but for some lapses of concentration and their inability to open the game up. However, with a number of good players graduating from their Under 18 team next year, they can face season 1967 very confidently.

**NIGHT MATCHES**  
The week started off with the Under 16 game between the South-East Suburban Football League and the W.S.F.L. under lights at South Melbourne. S.E.S.F.L. defeated W.S.F.L. 16-13-109 to 16-9-105.

Taking longer than their opponents to overcome nervousness and adjusting to the lights and white ball, the W.S.F.L. lads were being well beaten until three-quarter time, but from then on they clicked and in one of the best last quarters seen, added 9-2 to get within four points of the opposition at the finish.

But for a misunderstanding in the last minute they would have won.

The crowd waiting for the senior match clapped them off the ground for their terrific effort.

**UNDER 18**  
The South-East Suburban Football League defeated the Western Suburban Football League 16-7-103 to 9-11-63.

The Under 18 boys suffered the same difficulties as the Under 16 and they too, did not get wound up until the last term, but found their opponents a little too strong in defence. The team got off to a bad start when it was learned that their coach, Lou Thompson, had been admitted to hospital and operated on a few hours before the game.

Both teams performed very well and showed the standard of football in the League was just about equal to the best of junior football in the metropolitan area.

## JUNIOR SOCCER

Winners of all junior soccer leagues in the western suburbs were decided last Saturday.

Footscray J.U.S.T. won the Under 10 competition, eight points ahead of the second team, Sunshine City "A", with one round more to be played, won the Under 12 division convincingly.

In the Under 14's Footscray J.U.S.T. and Sunshine Heights finished equal on points but Footscray have a much better goal average, 53.13 to Sunshine's 44.22. But an extra match on a neutral ground may be organised to decide the winner on points.

In the Under 16 Footscray J.U.S.T., with two postponed games in hand, already won the premiership.

Western Suburbs clubs have also qualified for every Victorian Junior Cup final.

Results of local games played last Saturday are as follows—

**UNDER 12**  
Newport 4 (Coppola 3, Sussa) d. Brooklyn 3. BEST (Newport): A. Coppola, R. Siedlecki and N. Sussa.  
Altona West Primary School 0 lost to Altona 15 (Little 7, P. Reardon 4, Micevski 2, Gramsberger 2). BEST (Altona West): R. Gilpin, S. Hayes and F. Mock. (Altona): D. Collins, N. Micevski and G. Reardon.

## ALTONA BOWLING CLUB OPENS

Last Saturday 79 members and 17 visitors gathered at the Altona Bowling Club to play in the Royal Victorian Bowling Club's Charity Day.

The visitors were from the Newport Club.

The sum of \$48 was raised and will be forwarded to R.V.B.A. headquarters.

The competition for the day was three games of eight ends and the winning team was Ted Franks, Jimmy Cox and Harry Bromley, while the runners-up were Peter Whitmore, Robert Don, Sid Carton and Jack Fisher.

The president, Mr. Tom Burke, gave all members and visitors a very hearty welcome and hoped that everyone would have good bowling in the coming season.

Mr. Cobbin thanked the Altona Club on behalf of the Newport members for a very pleasant day and wished the club success in the coming pennant season.

Later on Saturday evening a social evening was held at the club and proved quite a success. On Sunday many members, associates and visitors assembled at the Altona green. Some 43 club and 10 visitors played mixed bowls whilst 48 members had pennant practice.

The visitors were from Williamstown, Footscray Park and Newport Clubs.

The winners of the social game were V. Douglas, E. Oliver and J. Monkhouse.

Again the president thanked everyone for their attendance and commented on the beautiful weather and hoped that many such days would be had in future games.

Next Saturday will commence the pennant season and the Altona Club will have four teams in the competition in B4, C2, C5 and C6.

## DARTS DATA

The final four positions in each Zone of the Western Suburbs Darts Association caused great interest by the big battle for a finals berth.

In ZONE 1 Pioneer and Laverton, on equal match points for No. 4 position, played each other in the last home and home game with Pioneer clinching the position with a 5-1 game win.

ZONE 2 presented a better tussle. Pioneer defeated Central 4-2 and Goodrich defeated Plough 6-0 to put both teams on equal match points and percentage. A play-off for second position last Monday night resulted in Pioneer taking second place.

No. 4 position was contested by three teams. Altona with 17 points, I.C.I. 19 and Footscray 16. As I.C.I. had played their last match they sat on the side lines showing keen interest in the "cut throat" match between Altona and Footscray R.S.L.'s.

In ZONE 3 the same position arises. Bristol Patrons are No. 1 and Plough are No. 2. Central on 15 points played Sunshine R.S.L. also with 15 points, with Sunshine emerging the victor to take No. 3 position. Pioneer on 14 points took the honour over Bridge to push Central out of the four.

by RON COLEMAN.

Hi there! fellow teenagers and young folk, here's what you've all been waiting for, your own teen column in your local newspaper.

As you can see for yourself by the headline, this page is open to anyone and everyone in the young sect who reads the "Altona Star."

Altona is a thriving community, the most progressive in Victoria according to the flashy advertisement which graces Millers Road opposite the "Sixteen Shops" in Altona North.

In the past 12 months revolutionary moves have been made, cultural groups have sprung up everywhere, but this is only the start of things to come. The foundations for progress in Altona have been laid and we must now use our own initiative instead

of continually relying on others if we wish to advance in the community.

As far as teenage dances and entertainment go Altona is starved and so this page, besides providing a weekly forum for young people, will endeavour to form a dance committee as soon as an adequate membership is gained.

Once a teenage deputation is formed and plans made, young Altona will proceed to go places. I am aware that the youth groups of Altona do have a committee, but whilst the prospect of a dance may have been discussed, no action has taken place to date.

Choosing a name for this page wasn't easy as it is no mean task to incorporate teenagers of Altona into any specific category. However, I'm quite confident that there aren't many young folk in Altona who don't come under the title of a Star a Saint or a Sinner. If there are, please write to the "Star," or better still, call in for an interview. So whether you're a mod, sharpie, beach-combing beatnik or like me you haven't enlisted yet, join the club, you'll enjoy it (the first member will receive an E.P. of their choice free of charge from Nev's Variety Bar).

Primarily this page aims to provide something in the newspaper which teenagers can look forward to every week and the sooner membership builds the quicker we will be able to pursue the idea of running regular dances and "getting to know yah" socials throughout the Shire.

Each week this page will feature a Star, Saint or a Sinner of the community or sometimes all three so watch out, you could be next.

## S.S.S. THIS WEEK

### ☆ STAR ☆

Star of the week this week is winner of the "Star's" Under 18 footy award, Dennis "Irish" Boyle, of Altona, who will become the first honorary member of Stars, Saints and Sinners.

Dennis has played good football consistently this year and amazed everyone at this year's grand final with his devastating rugby dashes and supreme kicking ability. Good on you, Dennis.

### ☆ SAINT(S) ☆

Football again! For just this week an exception must be made as the Saints of the week do not live in the community, but I do feel that St. Kilda are to be commended for their first ever premiership, and by only one point! These boys have played hard all year round and their grit and determination is something which all Australians should be proud of.

### ☆ SINNER ☆

This week it's the mug who's trying to write this page, yours truly Ron Coleman.

## Prizes! Prizes!

Nev's Variety Bar is being very generous in offering as a prize a free E.P. to a lucky member each week and this week the first member to join the club will receive the record. Also there will be other prizes, including passes to the drive-in for the next five members. So don't delay, join today; fill in the membership form and mail it to the "Star" for your membership ticket and watch for results next week.

## DISC DIARY

The Beatles new smash hit "Yellow Submarine" seems to be causing quite a disturbance throughout Australia.

Recently the Canberra police tried to ban the record when they found the Japanese midget submarines on the Canberra War Memorial splattered with yellow paint. You can just imagine the commotion this caused. Neither the police nor the Japanese saw the funny side of the story.

Meanwhile in Altona our boys have changed the lyrics of the song to the words, "We All Live In The Central Pub."

If you're itching to buy this record, see if Nev's Variety Bar has any copies left.

The other day I heard Bobby and Laurie's version of "High Noon" and maybe I sound square but it sounded sick compared to Frankie Lane's version of the hit which was the theme tune to the Academy Award winning film of the same name. It's a pity when a number of such quality is ruined by two young men with girlish voices who make their living by cutting weak revivals of originals.

I sure hope there aren't any Bobby and Laurie fans amongst you Altona girls. I won't be too popular.

## DID YOU SEE?

Did you see the "Big Pretzel" at the Royal Show last week?

You didn't? You'll never know what you missed. Pat Wordsworth, the Sydney Go-Go dancer, certainly attracted a few large audiences at the Show and gave a good display of the ability which has led her to fame in many of the dance clubs in Sydney. She has also been on tour entertaining Australian troops overseas.

Although I managed to speak with Miss Wordsworth, I could not talk her into becoming a member of S.S.S. Ah well, it was worth 40c to see her dance in a brief bikini in such cold weather.

## Discounts! Discounts!

As well as prizes for lucky members, discounts will be available from many local traders, so watch this page for details next week and mail your enrolment form NOW.

Your ticket will entitle you to numerous bargains, so don't delay, write today.

# Letters to the Editor

Dear Sir,

Over the recent weeks I have read in the "Star" a running or supposedly running commentary of council affairs.

It is disheartening in my view to see the bias and slanted views emanating from the paper which claims to be free of just these faults. This has culminated in the "Star" being de-franchised as the official Altona Shire newspaper.

My only wonder is why it had not happened long ago. I have attended many council meetings and on a number of occasions have read an account of the meeting in the "Star," and but for my having been present at the meeting, I would not have recognised the matter being reported.

An example of the deliberate misrepresentation practised by the "Star" is the sorry attempt to answer one of the points made by Cr. H. W. Lee. The "Star" claims as proof and a justification the fact that only 10in. of Altona news was reported in the "Mail" of September 15. This is, so, but the writer of the article conveniently omitted the fact that the "Mail" the same as the "Star," has news deadline and the footnote of the 10in. of Altona news carried an apology for the lack of space and a promise of the full story in the new issue. This was duly printed and what interesting reporting, it was almost unbelievable in comparison to the "Star's" reporting of the same happenings. I recommend the readers to obtain a copy if they doubt my writing.

The Editor of the "Star" has claimed on many occasions to be free of bias. In the next breath the Editor claims the right to print whatever news he sees fit, this in my opinion is why the council doings are better known to residents of adjoining municipalities. The people most concerned have had little chance or opportunity to get to know just what the council was doing.

I know for a fact that the Shire of Altona is well-known in all other States of Australia and is used as an example for Local Government administration and practice.

To read of our Shire in municipal journals is to realise how highly regarded the council and their planning methods are held by outsiders.

I am sorry to see the local industry lose out to outside industry, but I share the view that the title "Official Newspaper For The Shire of Altona" must be earned and is not to be treated lightly.

Yours Faithfully,  
A. J. ROBINSON,  
Public Relations Officer of the Altona Branch of the A.L.P.

Dear Sir,

Previous to the last council elections I mentioned in your columns what I considered to be the election bait offered voters in Cr. Den Dulk's medical benefits scheme and I believe that the A.L.P. in issuing a supplement to their Labor news almost on polling eve (which they warned electors to beware of the Independents doing) confirmed what I said.

Let us recapitulate, Cr. Den Dulk said he had been working on this scheme for two years which I believe was more than ample time. In the Labor news supplement he mentioned a scheme in his home town which was all that could be desired and had been in operation for many years and was an outstanding success.

Now if all this is true it would appear that Cr. Den Dulk is not quite qualified to institute a scheme such as this and the job should be given to some one else or is this another instance of the old Labor party line that any one who toes the party line can do no wrong and any one who doesn't can do no right.

In passing I must congratulate Cr. Lee in being instrumental in causing Altona ratepayers money to be spent with (to use a favorite Labor party phrase) a capitalist controlled monopoly. I refer of course to our printing jobs, or was this as it seems a move of political expediency.

A. E. MILDENHALL.

Dear Sir,

Would you please give me the opportunity of expressing my opinions, even though they are NOT in support of your newspaper.

As a regular reader of both the "Altona Star" and the "Footscray Mail", I wish to protest at your claim that the "Altona Star" has not been biased in its reporting of news in the shire.

As for reports on council meetings I find after reading both newspaper, various items of news have not been printed in the "Star" but have been covered quite fully in the "Mail".

I would suggest Mr. Editor that your readers wish to read ALL the news that transpired at the meeting and not just parts of it.

I find that whenever Cr. Crofts has anything to say, it receives full coverage from your paper and most certainly gives me a sound impression of where your sympathy lays.

On last Tuesdays council meeting, you failed to report the fact that Cr. Crofts was challenged by a labor councillor to substantiate alleged claims, in his election campaign material in which he alleged incompetence in the council and its officers, to which he was unable to give satisfactory answers.

With all due respect sir, that was "News" the "Mail" thought so, they printed it.

By not printing this very interesting item of news, you gave readers the impression that it was not printed, because is Cr. Crofts up in a rather poor light.

So Mr. Editor if you would please print all the news, you would at least save me the expense of buying two newspapers.

Yours faithfully,  
G. A. PORTER.

Entertainment, commencing at 7.45 p.m., will be provided for every member of the family as well as several good items from different congregational groups.

All members of the church and their families are invited and the ladies are asked to bring a plate of supper, tea and drinks for the children will be provided.

## 15th Melbourne Boys Brigade

Last Friday night members of the Brigade all had a great time splashing about at Richmond Baths when a swimming evening was arranged.

The boys were fortunate to get a swim as the Brunswick Pool was closed and the T.H.C. meeting would have made it hard for parking at the Olympic Pool. The water was quite warm and most lads started training for the swimming sports to be held this summer.

Congratulations to Graeme Dunkley on his safe arrival back from the show with the exact amount of boys he took. But why did he have to bring that awful monstrosity (an imitation bat) which was the subject of discussion when the visiting preacher talked about strange pets at the Baptist Church Anniversary on Sunday evening.

The Boys' Brigade Athletic Sports is now only a fortnight away and rigid training will be held this week in preparation for the events.

The gymnastics squad, drill squad and the band are now commencing practice and planning for the display which draws nearer every week.

The Home Mechanics Squad, which is a fairly recent enterprise by Jeff Douglas, is endeavouring to raise enough money to purchase a slot car track from which they should derive many hours of pleasure.

## LUCKY ESCAPE

Mr. and Mrs. Bill Smith, of Blyth Street, Altona, were the unfortunate victims of an unusual accident last Thursday.

Mr. Smith was driving his wife, Thelma, home from a city hospital where, after surgery earlier in the day, she had had a number of stitches inserted in a wound on her back.

The couple were within half a mile of their home when they became involved in a freak accident on the Millers Road bridge.

A ladder on a truck travelling in the opposite direction suddenly came off its mountings and was flung on to the victims car.

It passed through the wind-screen and out the back window, but a section of the ladder broke off and dropped back into the car.

Fortunately for Mrs. Smith she had not been able to use her safety belt and on seeing the ladder coming towards the car she was able to drop down on the front seat of the car. However, she did suffer further injury to the wound on her back and was admitted to Williamstown Hospital, but discharged the next day.

Mr. Smith was treated for a number of lacerations to the head and hands.

Mrs. Smith is the proprietor of the Billie-Jean Boutique in Borrac Square.

## Altona High's Cross Country Run

On Wednesday, October 31, Altona High School conducted its annual cross country run.

A devious course led students down Grieve Highway and over the wastelands in the vicinity of Cherry Swamp.

The girls course was a mile shorter than the boys, who circled Grant Reserve and the new oval before finishing at the school.

Contrary to several rumours that circulated, no alarming reptiles appeared to interfere with the students progress.

Showing definite signs of the muddy and damp course, Elsje Pannas, of Form 4B, came in first to win the girls course and Leo Heiskanen, of Form 5, led the boys home.

Elsje's brother, Tony Pannas, of Form 6, was second in the boys section.

## HOUSE RESULTS

**GIRLS' CUP:** This was won by Paterson, with 127 points, followed by Batman, 119, Keera, 82, and Tooronga, 59.

**BOYS' CUP:** Keera, 153 points, Paterson, 80, Batman, 68, and Tooronga, 64.
